Dear Parents/Guardians,

We are planning a Summer School program this year and are reaching out to you in order to make final preparations. Information regarding summer school follows below.

Time: 9am-4:00pm
Cost: Free

Session 1: June 1-4 and June 7 -10
Session 2: June 14-17 and June 21-25

Students will work remotely on classes. A teacher will be available for assistance from 9:00-4:00 on days that summer school is in session. Students are able to work on classes outside of the time that a teacher is available. Edgenuity will also be checked once in the evening and periodically on the weekends to accommodate this.

Students will be able to finish up classes that have been assigned or start new classes with the intention that they will be able to finish. If a student is returning to Lincoln in the fall and they have not completed the class during the summer session, they will be able to pick up where they left off when the fall semester begins. Summer School days will not be counted as part of the normal 35 days to complete a class.

Students will be dropped from the Summer School session if they do not log in for two consecutive days or they get less than 7% done in their classes for 3 consecutive days. If a student is dropped in the first session, they are still welcome to participate in the second session.

We would encourage all of our families to participate in our Summer School program as this is an excellent chance to recover credits and there is no cost associated with the Summer School program.

There are two ways to register for Summer School. Email Scott Pritchard at spritchard@lincolnroe56.org and let him know what session(s) you are registering for or fill out the bottom portion of this letter and mail or return that portion of the letter. Please reply by May 17th if you are interested.

Please call if you have any questions.

Sincerely,

Scott J. Pritchard
